Materials will be sent to participants in separate emails for each session. In addition, all these materials are available [HERE](#) and can be downloaded at your convenience.

While the same materials will be covered in both study groups, the discussions are bound to produce different (and exciting) results. If you can't make the Zoom session you initially signed up for, contact Mary Flett (drmaryflett@gmail.com) for the Zoom link to the other group and join in there!
